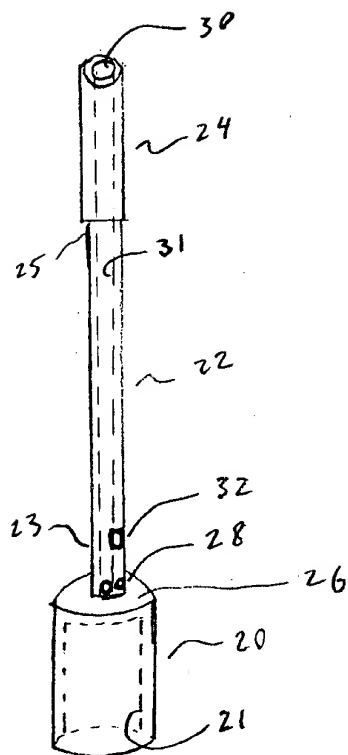

FIG. 2

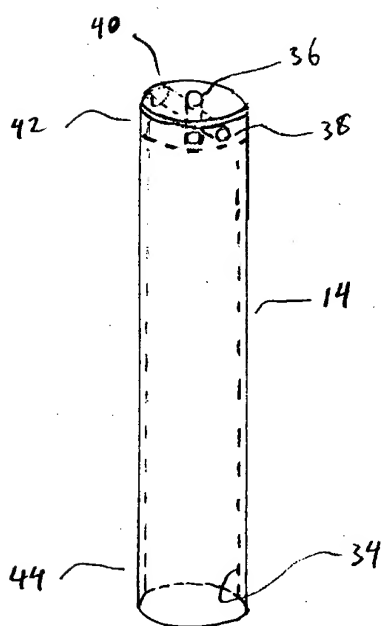

FIG. 3

A hand-drawn schematic diagram of a rectangular device. On the left, a vertical strip is labeled 52 at its top and 54 along its length. It features a series of small circles. To the right is a larger rectangular body labeled 16. Its top edge is labeled 46 and its bottom edge is labeled 50. The left edge of the body has several small circles, with the label 56 near the top. The right edge is labeled 58. A vertical dimension line on the right is labeled L, and a horizontal dimension line at the bottom is labeled W. Inside the body, there is a cluster of small circles labeled 48.
